Virginia State Parks provide
A Natural Legacy
of outdoor activities and
programs. They are an important
part of DCR's efforts to promote
a strong conservation ethic.
These efforts ensure that the
best of Virginia's natural
resources will be protected and
available for future generations.

Welcome to Lake Anna State Park. While boating and fishing on this beautiful lake are major attractions at the park, they are but small parts of the offerings. The 2,810-acre park features a swimming beach, concessions-bathhouse complex, rental cabins and campground. Lakefront picnic areas and wooded hiking trails are popular attractions at Lake Anna. During the summer our interpretive programs on the nature and history of the area complement the exhibits and displays in our visitor center. To make your visit safer and more enjoyable, we ask that you observe the following regulations:

-  Swimming and wading are allowed only in the designated area during operating hours. Shallow water hazards, steep drop-offs and boating traffic make other areas of our park unsafe for swimming or wading.
-  The public use or display of alcoholic beverages is prohibited.
-  Please help us keep the park clean by placing litter in the proper receptacles.
-  Pets are permitted in all state parks but must be kept in an enclosed area or on a leash no longer than six feet. Pets are prohibited in beach area.
-  Horses and bicycles are allowed on multi-use trails only. No motorized vehicles are allowed on park trails.
-  The park day use area is open from 8 a.m. to dusk daily.
-  The park fishing pond is near the visitor center. The pond is designed for use by children 15 and under and people with disabilities only.

Hiking Trails
All trails are for hiking with some restricted to hiking only. Others are shared multiple-use trails.

Multiple-Use Trails
The shared multiple-use trails are designed for horseback riding, bicycle riding and hiking. There are 10 miles of multiple-use trails. The degree of difficulty for each trail is listed below.
